PREVIOUS GOVERNMENT

- Unscientific assessment of crop loss.. Pathetic situation where farmers had to run around middlemen, field officers for years together.. Yet unsure of receiving the compensation..The meagre Input subsidy was either paid after two or three seasons or was never paid...
- Input subsidy for 2014 Kharif drought was paid in November 2015, for the 2015 drought in November 2016, for the 2016 drought was paid in June 2017, for the 2017 drought in 2018 and for 2018 "PETHAI" Cyclone in February 2019.. that too meagre amounts..
- "Zero" input subsidy was paid by previous Government for crop loss of Rs.260.43 Crores due to heavy rains in November and December 2015, "Zero" input subsidy was paid by previous Government for crop loss of Rs.1,832.28 Crores in Kharif 2018 and Rs.356.45 Crores in Rabi 2018.. Zero compensation was paid for the total crop loss of Rs. 2,449.16 Crores..
- No assistance to tenant farmers..
- Interest Subvention of "Crop loans" was kept pending year after year.. Assistance of **Rs. 1,180.66 Crores** from 2014-2019 kept pending.. Debilitated the scheme completely..

OUR GOVERNMENT

- Based on e-crop data, assessment of crop loss in scientific manner.. Display of eligible beneficiaries at RBKs for social audit in a most transparent manner.. Farmers can verify the list and lodge a complaint in the village itself, if their names are not enlisted.. Compensation will be paid, if found eligible after verification..
